With Individually Wrapped Buns

As the national manufacturer of individually wrapped buns,
GONNELLA IS A PIONEER IN CONVENIENCE STORE INNOVATION

- Versatile for retail grocery, concession businesses, and work great ambient or in the warmer.
- Appeal to new customers. Individually wrapped buns take the hesitation and doubt out of purchasing from a roller grill.
- Individually wrapped means ultimate freshness, giving customers the best experience from roller grill and sandwich programs.
- Hinge strength improves in the warmer.
- Provides customers with an extra level of reassurance. Individually wrapped buns are highly appealing and the most sanitary option.
- Pre-sliced for maximum convenience.
- Buns are baked individually for increased hinge strength, minimizing breakage.
- Flexible. Product can be held in a bun warmer for up to 4 hours.
