CONTAINS SOY, WHEAT.
CONTAINS A BIOENGINEERED FOOD INGREDIENT

9-3821-20-100-00

Storage, Handling & Shelf Life:

- Keep product frozen until use. Thaw item(s) on an as needed basis. Do not re-freeze or store products in the cooler. Refrigeration increases the staling effect on bread.
- Thawing time for whole case is 7-9 hours. It is faster if items are taken out of the case. Thaw product to ambient temperature and wipe dry any moisture off of the bags.
- Date product "Best if used By" 6 days from the day the product was thawed.
- Rotate older product on top or in front of newer product. Proper rotation assures better sell through and lower stale.
- Face the product with the logo towards the consumer. Open end of the bag should face towards the back of the shelf.
